DATE OF MEETING:

April 3, 2012

SUBJECT:

2012/13 Non-Instructional Fees

DECISION REQUESTED: Approval Schedule B

For Information Schedule C

Be it resolved that the Board of Governors approve the tuition related fees effective May 1, 2012 and mandatory fees effective September 1, 2012 according to the fee schedule attached and marked Schedule B. Schedule C has been approved by the President and is attached for information.

## **BACKGROUND:**

The Fee Schedule for Non-Instructional Fees was revised in November 2003 at a cost recovery level. The attached schedule summarizes the tuition related and mandatory fees to be effective across the UBC System.

#### **PRINCIPLES**

The following principles guided the recommendations:

- 1. Fees are generally harmonized at both campuses, except in approved exceptions such as Athletics and Recreation where UBC-O increases are being phased in.
- 2. To reflect an increase in cost of delivering services, a 2% cost of living increase is proposed for all non-instructional fees.

### **CONSULTATION**

Under the Guidelines of Policy 71, Enrolment Services conducted a consultation process to:

• Discuss the rationale and principles underlying the 2012/13 tuition proposal

The tuition consultation process included the following components:

- Meetings with the leadership of the Alma Mater Society UBC Vancouver, the UBC Students' Union Okanagan (UBCSUO) and the Graduate Student Society UBC Vancouver
- Presentations to the AMS Executive and Council, GSS Executive and Council at UBC Vancouver and the UBCSUO at UBC Okanagan
  - o AMS Executive and Council on January 11, 2012
  - o UBCSUO Council on January 23, 2012
  - o GSS Executive and Council on January 26, 2012
- The website <u>www.students.ubc.ca/tuitionconsultation</u>
- Student email feedback at: tuition.consultation@ubc.ca (62 emails received)
- Broadcast email to students outlining the tuition proposal
- An open forum on January 11, 2012 at UBC Okanagan (23 in attendance)
- An international undergraduate open forum on March 1, 2012 at UBC Vancouver (26 in attendance)
- Information Sessions on February 15<sup>th</sup> and 16<sup>th</sup>, 2012 at UBC Vancouver (10 in attendance)
- Consultation with Deans and Directors from Faculties and academic units

### **EXPLANATION OF FEE INCREASES**

#### Schedule B:

To reflect an increase in the cost of delivering services, a 2% cost of living increase is proposed for all tuition related and mandatory fees with the exception of the iMED fee. The iMED fee is proposing a 25% increase.

## **Proposed Change to iMED Fee:**

The iMED Committee recommends that the Board of Governors approve the new iMED premium rate:

- \$150 for three months for all new international students except one-term exchange students
- \$213 for 4 months and a week for one-term international exchange students

# **Background**

In September 2002, UBC's Board of Governors approved a resolution requiring new international students to enrol in a temporary insurance plan, determined by UBC, which provides adequate temporary health insurance coverage during the three-month waiting period before being eligible for BC Medical Services Plan (MSP). The acronym "iMED" was approved by UBC and David Cummings Insurance Services (DCIS) to refer the temporary health insurance plan.

In May 2004 the Board amended the resolution to include new international students on exchange, and to extend the insurance period from three months to the entire duration of study for one-term exchange students. Later on, new international students in UBC Joint Academic Programs including UBC-Ritsumeikan, UBC-Korea University, and UBC-Tec de Monterrey programs in UBC Vancouver and international visiting students in non-degree programs were included. In UBC Okanagan, new International students in degree and exchange programs and international visiting students were also covered by iMED. In January, 2012, English Language Institute and International Graduate Student Preparation Program (IGSPP) and International Undergraduate Student Preparation Program (IUSPP) under Continuing Studies at UBC Vancouver joined the in iMED plan.

The iMED provider DCIS has a long history of providing insurance services to UBC students. In the spring of 2010, DCIS, with its proven service record, competitive coverage policy and lowest rates, again won the bid to continue its services as iMED provider. The renewed iMED coverage expanded to cover pre-existing conditions and maternity care with unchanged premium rates. The fee structure and premium rates are subject to change after two years, that is, effective July 1, 2012.

#### Rationale

Since 2005, the iMED fees (\$40 per month with \$170 for one-term exchange students covering 4 months and a week and \$120 for all other students for 3 months) have not changed. In those years, substantial benefits have been added in the coverage policies. To ensure quality service and competitive rates to meet the needs of new international students, DCIS and the underwriter, MSH International (previously Norfolk Mobility Benefits) negotiated with the insurance companies on our behalf and an agreement has been reached with QBE Insurance for an increase of iMED fee from \$40 per month to \$50 per month. The new iMED fee structure will be as follows:

- \$150 for three months for all new international students except one-term exchange students
- \$213 for 4 months and a week for one-term international exchange students

The premium rates are guaranteed for 19 months from July 1, 2012 to January 31, 2014. There is no change in coverage policies or services, which will ensure a smooth transition to the new iMED fee structure. Compared with MSP premium (\$64 per month), the increased iMED fee is 28% less than MSP premium and its coverage is comparable with MSP. It is the best rate and best coverage we can get on the market for international students.

#### **Schedule C:**

There is no proposed increase to these fees.
